

**Non-exclusive rights assignment authorization  
and conflict of interests' statement**

If the paper submitted under the title « L'Amérique latine, l'ALBA-TCP et l'arbitrage transnational en matière d'investissement : la fondation d'une mosaïque de résistance » is published on the electronic platform of the *Revista Electrónica de Derecho Internacional Contemporáneo* (ISSN 2618-303X), the undersigning author assigns to this journal, in a non-exclusive and gratuitous manner, all reproduction, dissemination and public communication rights for the work aforementioned.

Such reproduction, dissemination and public communication will be carried out under the terms set forth by the Creative Commons Atribución-No Comercial-CompartirIgual 4.0 Internacional license (CC BY-NC-SA 4.0) and implies no obligation whatsoever to the journal, which may or may not exercise the assigned rights.

Furthermore, the author declares to respect all research ethical principles and to be free of any commercial or personal association that may entail conflict of interest regarding the article submitted.
